

## Model 5402 Dog & Cat Repellent

- Ready to use granules
- Repels up to 24 hours when applied daily
- Can be used as a training aid
- Especially useful around flower beds, gardens and trash cans

**Caution: Keep out of reach of children**

### Active Ingredients

- Methyl Nonyl Ketone 2%
- Inert ingredients 98%

### Directions

Do not apply these granules directly to foliage of shrubs or to ornamental soft bodied plants.

- Do not apply on or near food crops.
- The most effective control for a pet is the sharply spoken word backed up with disciplinary action. For most effective results on pets, this repellent product should be used in conjunction with training.

Note: This product is not likely to break the established urination patters of dogs unless used as a training aid.

Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then apply these granules.

To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreens: Using gloves, lightly sprinkle granules directly from container or spreader to border of flower beds; or to ground and grass around the base of shrubs, trees and evergreens; or to patches of lawn you wish to protect. Sprinkle enough to cover the treated area lightly (about 2 lbs. Per 500 sq. ft. or 1 or 2 cupfuls for 100 sq. ft.). Repeat applications until the undesirable animal habits are broken.

Repeat applications after rain.

To protect garbage cans and rubbish containers for disturbance by dogs and cats: Sprinkle the ground or floor around the containers liberally with granules Repeat application after rain.

Precautionary statements: Hazardous to human and animals

Caution: Harmful if swallowed. Avoid contact with skin. Use gloves if applying by hand. Wash with soap and water after use. Avoid contamination of food and feed. Do not apply directly to water.

### Storage and Disposal

Store unused product in a cool dry place away from heat and open flame. Do not reuse container. Wrap container and dispose of in trash collections.
